February 25, 2003

By Ralph Hall

Angelo Puente went to the Shrine headquarters in Wilmington, Massachusetts to receive his new Fez and to take the oath as the new president of the Shrine Club of Southeastern Massachusetts. Angelo has always been a hard worker for the benefit of the club as well as a liason between the Shriners and the Fairhaven Lions Club.

Angelo was elected president in December. After taking his oath, Angel received congratulations from Potentate Robert F. Greene, Sr., head of the Aleppo Shrine.
