

Proud Potentate

August 19, 2001

By Ralph Hall

At the Annual Potentate's Dinner, The Shrine Club of Southeastern Massachusetts donated a check for \$4,000 to the Shriner's Hospital Travel Fund.

This money is raised from their Hospital Fund drives at local supermarkets. The members of the Shrine Club donate their time from 9am to 5pm on two-hour shifts on one Friday and Saturday a month, from May through October.

The money raised goes 100% to the Hospital Transportation Fund. This fund is used to support transportation of patients and parents to and from the Shrine Hospitals. In many cases where a child is very

sick the parents are brought along because if you lose a child's spirit it goes against the medical treatment of the case. For all this a bill is never sent to the family.

Shriners invite everybody to participate in our projects and for information call 508-999-1938.

We Shriners are ALL FOR KIDS with an eye on the elderly.
