

Shriners Help To Provide "Safe Harbor"

February 2, 2002

By Ralph Hall

Bright and early at New Bedford High School, Shrine Club members Ralph Brown, Angelo Puento and Ralph Hall set up an exhibit for a program put on by the City Of New Bedford called "Safe Harbors for Our Children".

We were there with posters advertising our hospital program for any child up to the age of 8 in the fields of orthopedics and burns. We take any child the world over and there is never a charge for treatment.

We had baby bonnets and booties knitted by ladies and given to our three local hospitals. Wheelchair lap robes were shown and these are given to the local nursing homes. Brochures were handed out telling of our 22 Shrine Hospitals in the United States, Canada and Mexico, all free to any child.

We Shriners appreciate all the help we can get, IT'S ALL FOR KIDS.
