

Shriners Support Family Service

February 2, 2002

By Ralph Hall

At the monthly staff meeting of the Fall River Family Service Association, members of the Shrine Club Of Southeastern Massachusetts were invited to speak. Their topic was the many projects run by the Shrine Club that benefit the community, primarily our soda can pull-tab program.

Many of the Shrine projects mesh in with the operation of the Family Service Association, a non-profit operation that staffs about 100 people. They wish to help with our pull-tab program that at present has reached the 13,600 pound point. In turn, we are going to see that they get a quantity of wheelchair lap robes for their elderly clients. Cooperation between the two organizations will benefit the community much to the satisfaction of both organizations.

For more information on Shrine projects call 508-999-1938 or 508-995-9887.

We Shriners appreciate all the help we can get, IT'S ALL FOR KIDS.
