

Shriners on TV!

December 6, 2002

By Ralph Hall

Ralph and Ralph (Ralph Brown and Ralph Hall) were TV stars in December, appearing with Salvation Army Captain Gerald Morgan and several business people in the area.. The program has been aired several times a day all during the month of December on local channel 9.

We are very grateful to the station for giving us the opportunity to present our soda can pull-tab collection project. Through publicity we have collected 8 tons of these little tabs. They are sold and the proceeds go the a Travel Fund used to transport children and parents to Shrine Hospitals.
