

Students Pull For The Shriners

October 30, 2001

During a phone call with Mrs. Joanne Pierce, a teacher at St. Anthony's School, a desire was expressed to join the pull-tab program run by the Shrine Club of Se. Mass. Not only will the Shrine Club benefit from the tabs collected by the 400 students, but the students will learn about participating in community projects. Judging by the enthusiasm shown by the students, it will be a great success!

The Shrine Club has several schools that have joined our pull-tab collecting program. Over a period of time

the Club has collected over 12,900 pounds of tabs that are sold as scrap aluminum and every penny goes to fund a Children's Wish List. Anything a child wants or needs while in a Shrine Hospital they get with no questions asked.

The Shriners have several projects that benefit the community at present. For more information on Shrine projects call 508-999-1938 or 508-995-9887. We Shriners appreciate all the help we can get.

IT'S ALL FOR KIDS.
